

# Data privacy policy

This Policy establishes the terms in which the information provided by its users when using PRO-DEMAN S.A. is used and protected and responds to the Law 23.326 "Personal Data Protection and Law 24.766 "Confidentiality Law".

"Personal information" means all information that identifies, describes or relates to a person and is reasonably capable of being associated or could be linked, directly or indirectly with a user, either alone or in combination with other information available to us.

Privacy is important to us and we are committed to the security of the data of each of the people and/or companies that use PRODEMAN S.A. We use the most advanced systems, which are constantly updated to ensure that there is no unauthorized access.

When completing the personal information fields, we ensure that the data will only be used in accordance with the terms and conditions of this policy.

---

## • Collected information

Both our website <https://www.prodeman.com/> and social networks (Twitter, Facebook, Instagram, LinkedIn, ecc.) may collect personal information from users such as first and last name, e-mail, telephone number, demographic information, and information of their commercial activity provided by the users.

## • Use of collected information

Our web site uses the information in order to provide statistical data to the user so that you can get the best service.

## • Use of collected information by Third Parties

Prodeman S.A. is not responsible for the privacy policies nor for the use of the collected data made by outsourced and/or contracted or associated companies.

## • Cookies

A cookie is a file that is sent with the purpose of requesting permission to be stored on your computer, mobile or tablet. The cookie is useful to obtain information about website traffic and facilitates future visits to a recurring website.

Our website uses cookies to identify the webpages that are visited and their frequency. This information is used for statistical analysis and then permanently deleted. Users can delete cookies at any time from their computer. Cookies allow us to provide a better service of the website. Users can accept or reject their use.

## Data privacy policy

- **Links to third parties**

Our website may contain links to other websites of interest. Once you click on these links and leave our website, we have not control over the website to which you have been redirected and therefore we are not responsible for the terms or privacy policy or the protection of your data on third party websites. It is advisable to consult the Data and Privacy Policy of these websites to ensure that you agree with them.

- **Control of personal information**

Prodeman S.A. will not sell, transfer or distribute personal information collected without your consent. It may happen that by virtue of court orders or legal regulations, we are compelled to disclose information to governmental authorities, in which case Prodeman S.A. will not be responsible for the information that is disclosed.

- **Changes to the Privacy Policy**

Prodeman S.A. reserves the right to modify this Privacy Policy when deemed necessary. Users agree to regularly review this Privacy Policy in order to be informed of any changes that may have occurred.
